

**Welcome** It is with great anticipation and honor we bring you the fourth annual DBX Kurdistan in the beautiful city of Sulymaniah, this year event is full of new developments with over 200 companies participating from over 40 countries around the world, and some 100,000 visitors.

Very important government officials from the Central Government, Kurdistan Regional Government and our local partners headed by the Governor of Sulymaniah and Sulymaniah Chamber of Commerce, we appreciate all your support. Our goal is to serve the local business community, and the larger business community in Kurdistan Region, to help promote business development, networking and the creation of jobs that are vital to a vibrant economy. Our staff is eager to help you in every way, lookout for the IACCI badge, we are ready to say "what can we do for you"

This year we are organizing two more events in Baghdad, the first energy expo and conference [www.iraqenergyexpo.com](http://www.iraqenergyexpo.com) and the first national expo and conference [www.dbxexpo.com](http://www.dbxexpo.com) at the new convention center at Baghdad International Airport, please pass the word around, we are committed to excellence, customer service and to a successful private sector in Iraq. Again we wish all of you the best of success in this four day event.

Raad Ommar, CEO  
Iraqi American Chamber of Commerce & Industry
